Prof. Adhiambo,

On behalf of the Institute of Electrical and Electronics Engineers (IEEE) Signal Processing Society (SPS), it is our pleasure to invite you to attend the 2024 IEEE Signal Processing Society administrative meetings. The SPS administrative meetings will be taking place in conjunction with the 2024 International Conference on Image Processing (ICIP) from 27-30 October 2024 at the ADNEC Centre Abu Dhabi in Abu Dhabi, UAE. Your attendance and active participation at the Women in Signal Processing (WISP) Event scheduled for Tuesday, 29 October 2024 is essential.

IEEE and its volunteer members inspire a global community through highly cited publications, conferences, technology standards, and professional and educational activities, envisioning a sustainable future. IEEE volunteers play a key role in the direction of the organization and SPS relies on the support of thousands of volunteers to support our operations and associated programs, which includes the administrative meetings.

We look forward to seeing you there.

Regards,
